

Improve Efficiency
Enhance Communication
Lower Cost
IEL Certified Solutions

First Data and USA Phone.com sign agreement to offer the lowest rates in the Industry!

With current economic conditions, we search for every way to save clients money, reduce costs and provide more profit. After investigating and reducing our own credit card processing rate, we found out that credit card rates and fees were all over the park... we meet and took advantage of a partnership with First Data to share the savings and our expertise with our clients!

Fax your bill to 856-761-1100 today!

We will save you time and money every month.

Our investigations in the merchant services industry will reduce your costs.

Why not use the largest processor in the world? Chances are, however you pay for things, your transaction moved quickly and securely by FIRST DATA. First Data is the global leader in information commerce and serves more than 5.4 million merchant accounts.

Ask your book keeper to fax the Merchant Service/Credit Card statement to 856-761-1100!

We will lower your percentages and save you money every month...

**There is NO COST to see how much we can save you!
Take advantage of this "NO Brainer" today!**
